

Join us on our journey...

Production workers (m / f / d)

We are an international, medium-sized family business with headquarters in Cologne, Germany, and other locations in Europe. With innovative strength and creativity, we manufacture intelligent solutions and functional products for the Leisure vehicle industry. We are producing for a well-known German company smart ideas for one of the most beautiful hobbies of all: discovering new horizons, experiencing other cultures and still being at home far away. Many years of experience, well designed products and family-run - that's REVANIS, a supplier for creative and customised ideas for caravans and motorhomes.

For our location in **37-552 Młyny, Poland**, we are looking for several

Production workers (m/f/d)

Your tasks

- assembly of individual parts and components according to parts lists, work plans, drawings and - if necessary - other work documents
- carrying out visual and quality control
- packaging work

Your profile

- at least first experience in machine operation or manual production
- willingness to work alternating shifts
- English would be a benefit

Your strengths

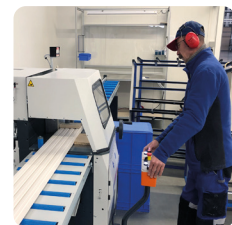

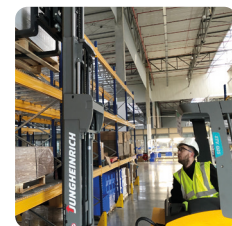

- you are reliable and punctual
- skilled in craftsmanship
- have technical understanding
- are hands-on and can contribute to a team
- work responsibly and quality-consciously

We offer

- a diversified activity
- an interesting position in an innovative company
- flat hierarchies and short decision-making processes
- a respectful, performance-oriented corporate culture

If you want to actively shape the further successful future of our internationally operating company, we look forward to getting to know you. We offer you a responsible and varied full-time job in a collegial team in a growing company.

Have we aroused your interest? Then please send your complete application documents by e-mail to Mr. Krzysztof Binkowski, stating your income expectations and the earliest possible start date.
